

CONGRATULATIONS!

You've Been Flocked!

One of your friends paid us to place these spirited orange and black flamingos in your yard as part of a **Friends of Rockville Music (FORM)** fundraiser. FORM is a non-profit organization made up of Rockville High School parents, music teachers, and community members in support of RHS Instrumental, Choral, and Marching Band programs.

This flocking was done in the spirit of fun— It is not meant to cause you distress! The flamingos will roost on your lawn for a day or two, at which point they will mysteriously migrate to another lawn.

Of course, the removal of these birds will be done at no charge. Please don't hurt our plastic feathered friends. We are done taking orders for the season, but the flamingos will be back next fall! If you'd like to make a donation or learn more about FORM, please visit **RockvilleMusic.org**.

Thank you for your sense of humor and your support!!
